SEPTEMBER MONTHLY DINNER

Strategic partners in your business

We would like to invite you to the next monthly dinner of the Australian Arab Business Council
AABC on Wednesday **12 September 2018**

Our next monthly dinner is **All About You, Me and all of us - our AABC members and who we are!**

Over the last 12 years we have grown and reshaped our member base across a number of industries, age brackets, marketing demographics, etc. Within our organisation we have witnessed fantastic success in collaborative activities between members, seen successful partnerships established between members as well as a number of initiatives which have led to individual and business growth. These are just a few examples of some of the benefits some members have enjoyed.

Our next dinner will expand on some of these examples in much more detail as we would like to showcase actual return on membership investment - tangible growth as a result of being a member.
